### To Cat Mt from Thomas Mt (2 miles\*)

Turn left (south) and follow the blue trail to climb 0.8 miles until you reach a T intersection. Turn left (south) and follow the blue trail for 0.4 miles to Cat Mt.

MOUNTAINS PRESERVE

This 1,909-acre parcel was acquired by the Lake George Land Conservancy (LGLC) in 2003 and sold to the State in 2013 to be added to the Adirondack Forest Preserve. Its preservation is a major accomplishment in protecting the Lake George watershed, as one of the lake's larger tributaries, Finkle Brook, flows through the preserve and forms Edgcomb Pond, the drinking water source for Bolton Landing.

Just a five-minute drive from quaint Bolton Landing, the trails to the summits of Cat and Thomas provide a rewarding introduction to hiking the Adirondack trails. All of the preserve's trails have worthwhile views of Lake George's south and central basins and the southwestern Adirondacks.

Hunting and trapping is allowed at the preserve; appropriate state licenses are required. Hikers should be aware of hunting seasons and wear bright colors and hike in groups to minimize risk.

Mountain biking is allowed on the blue and red trails where they follow the road. Do NOT use your bike on the foot trails.

The Lake George Land Conservancy maintains the trails of the Cat and Thomas Mts Preserve through DEC's volunteer stewardship agreement.
