

# Northeastern Shoreline Initiative History of Support

This list of donors was generated 30 years ago from The Nature Conservancy, which was the LGLC's partner during the protection efforts of the Northeastern Shoreline Initiative in the 1990's. We have worked to update it to the best of our knowledge. We welcome your input; please send corrections or updates to [hbartonbenedict@lgc.org](mailto:hbartonbenedict@lgc.org). Thank you for your patience and support!
