

# Silent Auction Donation Form

The Lake George Land Conservancy's Conservation Gala will be held on August 1 at the Fort William Henry Carriage House in Lake George Village. Over the past two decades, the event has raised over \$2M, helping us protect the world renowned water quality of Lake George through land conservation. By featuring key businesses that bolster the regional economy and tourism efforts of our area, we elevate the collaborative partnerships that allow for our region to succeed together. We would be honored to include your business among those who have pledged a donation to protect Lake George for all.

*All businesses who donate towards the LGLC's Conservation Gala will be featured in our marketing of the event on social media, on our website, and in the program for the event.*

Please write your Business Name as you would like it to appear in all publicity.
